TOP 10 COURSES

As a full- or part-time employee of Johns Hopkins, you are eligible to access hundreds of training courses through our online Skillsoft training library. The library is large, though, so you may be wondering which courses are the most popular with other learners. The “Top 10 List” of most popular courses is shown below. These are courses that were most popular with the general Skillsoft population (outside of Johns Hopkins). Link to a course today!

Top 10 Skillsoft Courses

1. Interpersonal Communication: Communicating with Confidence
2. Office 2010 New Core Features
3. Managing Projects within Organizations
4. Business Writing: How to Write Clearly and Concisely
5. Getting Started with Windows 7
6. Time Management: Planning and Prioritizing Your Time
7. Diversity on the Job: The Importance of Diversity and the Changing Workplace
8. Getting Started with Excel 2010
9. Getting Started with Word 2010
10. Getting Started with Outlook 2010
